

# I GEDE RISVA DARMA SENTANA

Banjar Tegal, Buleleng, Bali 81117 • risva@undiksha.ac.id • +6285792212370

Web Portfolio: <https://risvaaa12.github.io/portfolio/>

I am a third-year student in Informatics Engineering at Undiksha University with a Computer Science study program. As someone who explores the world of IT, I am very familiar with things that smell of programming, problem solving, and data. Based on my familiarity with the IT world, I am interested in exploring and adding to my skills and experience by going directly into IT-related work. I am ready to expand my experience and knowledge with my hard work and skills.
